<sup>1</sup> Health insurance categories are mutually exclusive. Persons who reported both Medicaid and private coverage are classified as having private coverage.

<sup>2</sup> Children's Health Insurance Plan (CHIP) and state-sponsored health plan coverage are included as Medicaid coverage.

<sup>3</sup> Persons not covered by private insurance, Medicaid, CHIP, state-sponsored or other government-sponsored health plans, Medicare, or military plans are considered to have no health insurance coverage. Persons with only Indian Health Service coverage are considered to have no health insurance coverage.
